

# HOE JUN LEONG

## Self-Taught Programmer

: [hjunleon@gmail.com](mailto:hjunleon@gmail.com)

: 81254813

## ABOUT ME

I'm driven to learn all I can about computers! My interests span from machine learning to reverse engineering. Self-taught programming & computer science concepts, such as Data structures and Algorithms, for 2 years.

## EDUCATION

2012-2015

O level: L1R5(raw) = 8

2016-2017

A level: PCME = AAA/C

2020-est.2024

NUS-Computer Engineering

## EXPERIENCE

2018-2019

Served National Service in SAF's App Development Office:

- Develop mobile and web apps using Glassfish, MySQL, NetBeans and front-end web languages
- Design UI/UX based on client requirements as a team
- Present prototypes and process feedbacks from clients

## ACHIEVEMENT

Singapore Chemistry Olympiad:  
Bronze(2017)

Elementz Science Research Conference and Exhibition: Gold(2017)

- Computer Science Research Project facilitated by Defence Science Organisation (DSO) internship

## SKILLS

C

C++

C#

Python

HTML,CSS,Javascript

Java

Data Struct & Algo

Reverse Eng & Assembly

SQL

Illustrator

Blender (3D modelling)
